Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Discussed the difference between McDonald's mortgage origination and Applicant's asset securitization. Applicant indicated asset securitization was the process of bringing multiple assets together , most specifically commercial assets, in order to offer the assets as an instrument for sale. Examiner requested the definition of asset securitization data as found in the proposed claim 1. Applicant could not indicate the exact location of the definition however will respond to the request in the written response.
